Dear Sir or Madam,

I'm a 39-year-old adventurer with an insatiable passion for traveling and deep love in learning about cultural diversity. These qualities amber my soul and fuels my most essential motto: "Life is your own design, so why not live it to the fullest?".

My innate curiosity in exploring new horizons led me to the lively and exciting world of modeling career, where I have already gained the experience to work along side creative teams at in-studio and on location settings. However, I am ready for the next modeling level, and I believe in my potential for growth in the roles or gigs currently available at your company.

More information can be obtained on my website:

Thank you so much for your time, and  
I look forward to hearing from you.

Best Regards,  
**BRYAN RAPOSA**
